

EMO's MUSIC PLAY SCHOOL IN DAYCARE

Music playschool at daycare centres means that a music teacher comes every week from the music institute to teach during daycare hours. The teachers are all qualified and experienced music playschool teachers.

Come and join us!

HOW TO JOIN MUSIC PLAYSCHOOL AT DAYCARE CENTRE?

Parents can register their child for music playschool online at www.emo.fi.
Lessons begin at the turn of August-September.

PRICES AND EXEMPTIONS

The student fee for semester is €105 (45 min per week).

The invoice will be sent by email.

Music playschool is free for those who do not need to pay daycare fees. In these cases, please send the daycare fee exemption decision to the EMO office: Sonja.malkki@emo.fi

WHAT DO WE DO IN MUSIC PLAYSCHOOL?

The most important thing for music education for under school age children is to awaken the child's interest in music through experience, insight and joy. In music playschool we work with singing, movement, playing instruments and listening. Percussion and rhythm instruments are used.

CONCERTS

As a student of Espoo Music Institute, music playschool children are welcome to all EMO events and to their own concerts arranged annually for music playschool students.

Every music playschool child also has the chance to perform.

CONTINUING AFTER MUSIC PLAYSCHOOL

EMO, Espoo Music Institute, is the oldest and largest art education institute in Espoo. Music playschool is a good basis for learning to play an instrument later, application is through a student selection process. The purpose of music playschool is to open the gateway to the world of music and to use the benefits of music to support well-being (motor skills development, perception, speech development and emotional growth).
