## Welcome to begin the spring term in EMO!

The Covid-19 restrictions in the metropolitan area will continue on January. The spring term will start by remote teaching in all schools, that give basic education in arts.

Espoo music institute´s individual lessons and music perception groups lessons begin by remote teaching on Thursday 7th January.

Music play school, rhythmic lessons, choirs, Music Ladders and other preparatory instrument workshops lessons begin by remote teaching on Monday 11th January. Music play school in daycare continue as normal during the daycare.

You will get the links and / or other instructions from your teacher.

Orchestra teachers will inform you about orchestra activities and plans in spring term during January.

The Metropolitan area corona coordination group will re-evaluate the situation on week 2, especially considering the possibilities to continue contact teaching in hobby activities among children and young people.

We wish you all a hopeful and happy music year 2021!
